The Hon'ble Speaker,  
Lok Sabha,  
Parliament House,  
New Delhi – 110001.

**Subject:** Request for Consideration of Transfer on Personal and Medical Grounds

**Respected Sir,**

I am Shashank Vyas, Chief Manager (PF No. 638579), currently posted at the Regional Office, Nellore under Vijayawada Zone, where I have been serving since 10.05.2023. I have diligently performed my duties and completed two years in the region with sincerity and commitment.

However, over the past couple of years, I have been experiencing persistent health issues, including gastric complications, middle-age related conditions, consistently elevated blood glucose levels, and high blood pressure. These ongoing medical concerns have begun to impact both my physical and mental well-being, affecting my personal and professional life significantly. Regular medical checkups and monitoring have become essential for my continued health management.

In addition to my own health challenges, I am the primary caregiver for my father, who is 90 years old and increasingly dependent on me for support. At this age, he requires frequent medical attention and continuous care. Furthermore, my daughter is entering into Class XI — a vital academic period — and she too requires steady parental guidance and stability in the coming academic years.

Given these circumstances, I am in need of a location where I can access better medical facilities and family support while continuing to fulfill my professional responsibilities efficiently.

With this in mind, I humbly request your kind consideration for a transfer to the **Central Office, Union Bank of India**.

I have substantial experience in administrative roles, having served as Chief Manager – Operations at RO Nellore, and earlier as Senior Manager at the Warangal Region (Andhra Bank). From June 2008 to August 2013, I also worked at the Investment and International Banking (IIB) Division of the erstwhile Andhra Bank, Mumbai.

In light of my current health condition, family responsibilities, and relevant experience, I kindly request you to consider my application for transfer to the **Central Office, Union Bank of India**, which would enable me to maintain a balance between my professional duties and personal responsibilities.

I shall remain grateful for your understanding and support.

**Thanking you in anticipation.**

**(Shashank Vyas)**
